... They like each other.

There was never a place for me....

What's wrong?

You are here again ?

I've got nothing to do apparently.

Will she believe me if I tell her that I am actually a cat?

Who? The girl with double pony tails?

How do you know her ?!

I've seen her few times from a distance.

Well... she will be surprised for certain ... Whether she will believe you or not is another matter.

If I choose to remain as a cat, I will be able to stay where I am ...

But what about my feelings?

This is not fair. I've had my eyes on her before him !

Does it have to be her ?

..... What are you implying?

We are on the same boat ! We can understand each other !

It is her or none, period.

Are you going to watch her get together with another guy ?!

Do you think you will be able to do that ?

Thanks. I am sure Sim-He would have gotten something also if she made it...

Gwa ! So cool that you got the #1 prize !

Why don't we try together next time?

Sure !

I hope you will get the top spot.

I have to visit a camera shop, so I am going that way. See you.

Okay, bye.

Oh, Doong-E oppa, we meet again.

Could we talk for a moment, Sim-He ?

What I want to say is that ...

Can you calm down first ?

Aw, nye.. forget it ! Nice weather today, hahahah!

Is something bothering you ? You listened to me last time, I will listen to you this time.

Did you send your pictures?

I ... did ...

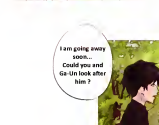
Want her to be happy.
I want to see her happy face.

And I also know that ... Cha Ga-Un is a good guy.

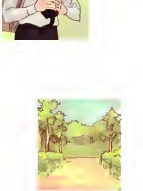
I could go back to the old days...
where the three of us had pleasant days...

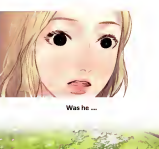
That ... could ...

solve everything...

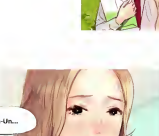


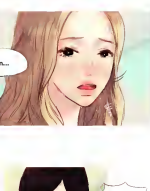
Black ... ?
Black? How did he ...

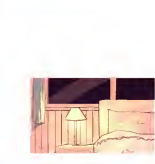




Was he ....







Black...
